STAT

SUBJECT: Speech to Republican and Conservative Party
 Officials

Senator D'Amato's office requests that you or another senior Agency official speak to a group of some 200 New York Republican and Conservative Party operatives on the morning of 17 July on the subject of national security affairs. The group will be in town on 16 and 17 July and will meet with Vice President Bush, Jim Baker, Ed Meese, Pat Buchanan, Bill Crowe, Senator Dole and others. D'Amato's office is willing to bring the group to CIA Headquarters to hear you if necessary.

Since you are returning the night before and the group is too political and partisan, I recommend that you decline the invitation.
